CLERY ACT

This information is supplied in compliance with the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. This **Act** contains safety and security related laws and regulations from the Higher Education Opportunity Act as amended (2009). The Act requires colleges and universities across the United States to disclose information about crime on and around their campuses. Because the law is tied to participation in federal student financial aid programs, it applies to most institutions of higher education both public and private. It is enforced by the **U.S. Department of Education**. The "Clery Act" is named in memory of **Jeanne Ann Clery** who was murdered while in her residence hall room on April 5, 1986 at Lehigh University, Pennsylvania.

PERSONAL SAFETY, REPORTING CRIMES, AND OTHER EMERGENCIES

Georgia Piedmont Technical College encourages each member of the campus community to promptly report any crimes and criminal activity to GPTC Police Department for immediate action. If a member of a campus community does not wish to report the crime to the College Police Department, then reporting to Campus Security Authorities, Student Affairs, or Title IX for timely warning reports and annual statistic disclosure is strongly encouraged. Reporting crimes is voluntary. See below on how to contact each entity for assistance.

Individual Responsibility

Georgia Piedmont Technical College encourages everyone to become an active participant in their personal safety. This can be achieved in part by reporting crimes that occur on college property immediately to the GPTC Police at 911 if it is an emergency or 404-297-9522 ext. 1700 if it is a non-emergency. Every member of the college community has an obligation to make a report of the crime or criminal activity to GPTC Police. Remember, safety is everyone's responsibility. It is College policy that criminal offenses occurring on college property will be reported to the police for investigation. Personal safety while on campus is the result of a partnership between the GPTC Police Department and each individual on campus. Georgia Piedmont Technical College strives to ensure the safety of all individuals within its community. Students and employees, collectively and individually, must take responsibility for their own safety and that of their personal belongings. Simple precautions are the most effective means of maintaining personal security. Each campus of Georgia Piedmont Technical College provides well-lit parking areas and walkways for use. Safety escorts are available upon request, call 404-297-9522 ext.1700. Unattended cars should always be locked. When you leave items of value in your car, they should be locked in the trunk. Students should notify GPTC Police or a College employee of any unusual events or individuals present on campus.

Voluntary, Confidential Reporting

Reporting crimes or emergencies is voluntary. All crimes and emergencies should be accurately and promptly reported. If there is an emergency, call 911. If it is a non-emergency call the Georgia Piedmont Technical College Police Department 404-297-9522 ext. 1700. However, all

crimes should still be reported to the Georgia Piedmont Technical College Police Department for the purpose of investigating, making a report, and for annual disclosure in the Annual Security Report. College police do not have a process for confidential reporting due to state open-records laws. If you are the victim of a crime and do not want to pursue action with the Georgia Piedmont Technical College Police Department or local police department, you may still want to consider making an anonymous report, by reporting the crime and not disclosing your personal information to authorities. With such information, the college can keep an accurate record of incidents involving its students, determine if there is a crime pattern, help identify an assailant and alert the College community to potential danger.

Reporting to GPTC Police

Georgia Piedmont Technical College has taken measures to ensure the safety and security of the campus community; however, the College environment is not immune from criminal incidents that occur in the surrounding communities. Crimes Involving Student Organizations at Off Campus Locations

Crimes involving anyone at off campus locations should be reported to the local law enforcement agency with jurisdiction of the location by calling 911. GPTC does not have any officially recognized off campus student organizations.

Reporting to Other Campus Security Authorities

A Campus Security Authority is an individual or organization associated with an institution other than GPTC Police that crimes and emergencies may be reported to. If a crime is reported to any of these individuals, basic information about the type of crime and the location where it occurred will be shared with college police for the purposes of investigation, Timely Warning Report and inclusion in the Annual Security Report. A Campus Security Authority is a Clery-specific term that encompasses four groups of individuals and organizations associated with an institution as follows:

- A campus law enforcement unit;
- Any individual or individuals who have responsibility for campus security but who do not constitute a GPTC Police department such as an individual who is responsible for monitoring the entrance into institutional property (e.g. an access monitor);
- Any individual or individuals who have responsibility for campus security but who do not constitute a GPTC Police department such as an individual who is responsible for monitoring the entrance into institutional property (e.g. an access monitor);
- An individual or organization specified by the college campus security statement as the individual or organization to which students and employees should report criminal offenses;
- An official of a school who has significant responsibility for student and campus activities including, but not limited to, student housing, student discipline, and campus judicial proceedings.

Campus Security Authorities includes but is not limited to:

- Members of the GPTC Police Department, selected members of the Office of Student Affairs and selected Vice Presidents
- Director of Human Resources
- All School Deans
- Title IX Coordinator
- Advisors to student organizations

How Campus Security Authorities are Identified:

Campus Security Authorities include all GPTC Police sworn law enforcement personnel and administrators and non-sworn personnel responsible for campus security (unarmed campus security); officials with significant responsibility for student/campus activities, who have the authority and duty to take action or respond to particular issues on behalf of the college and any individual or organization specified in an institution's statement of campus security policy as an individual or organization to which student and employees should report criminal offenses. These individuals are identified through their job descriptions through Human Resources, and are trained through Blackboard at least annually. Those that have been identified as a Campus Security Authority are sent an email with the link to complete the mandatory training, and a letter identifying them as a CSA. The list is updated monthly to make sure those that have been identified as CSAs know, and have access to the mandatory training materials. CSA mandatory training materials are updated annually.

Pastoral and Professional Counselors Confidential Reporting Procedures

Pastor and "Professional Counselors," when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of

crime statistics. Georgia Piedmont Technical College does not employ pastoral or professional counselors at this time.

The GPTC Police Department consists of sworn certified Police Officers and non- sworn, who administers the security needs for all campus sites. The sites include the Clarkston Campus, Newton Campus Buildings A-C, Newton Campus-building D, Rockdale Career Academy, and the Regional Transportation Training Center. GPTC Police duties include enforcing laws, preventing and investigating crimes, providing security, and encouraging safety awareness. All Georgia Piedmont Technical College Police Officers are certified by the State of Georgia and have full arrest powers. For minor offenses involving GPTC rules and regulations committed by a GPTC student, police officers may also refer the individual to the Office of Student Affairs. Georgia Piedmont Technical College Police Department also provides unarmed Security Officers to assist with campus safety and security. The Security Officers are for visibility purposes and do not have arrest powers. Officers patrol the campus Monday-Thursday 7:00am-10:00pm, Friday 7:00am – 3:00pm, and Saturday 8:00-3:00pm. Police and Security Officers provide additional security by patrolling parking lots, buildings, assisting students and employees, and providing safety escorts.

Officers' Jurisdiction

GPTC Police Officers have complete police authority to apprehend and arrest anyone involved in illegal acts on-campus and areas immediately adjacent to the campus. GPTC Police officers can make arrests for offenses committed upon any public or private property within 500 feet of any Technical College System of Georgia property. If minor offenses involving College rules and regulations are committed by a college student, GPTC Police Officers may also refer the individual to the disciplinary division of Student Affairs. Major offenses such as rape, murder, aggravated assault, robbery, and auto theft may be reported

to the local law enforcement agency. Joint investigative efforts with officers from GPTC Police Department and the local law enforcement authorities may be deployed to solve these serious felony crimes. The prosecution of all criminal offenses, both felony and misdemeanor, are conducted at either Municipal, State, Superior, or Federal Court of the appropriate jurisdiction.

Training of Police Officers

GPTC Police Officers have completed a training course required of all state certified peace officers in the state of Georgia. They obtain, at minimum, 20 hours per year of training certified by the Georgia Peace Officers Standards and Training Council including the areas of Firearms Requalification Use of Force, Crisis Intervention, and De-Escalation Techniques.

Working Relationships with Local, State, and Federal Law Enforcement Agencies

The GPTC Police Department has a verbal agreement with local police agencies as it relates to jurisdiction and for violations out of the scope of our expertise. This includes agreements, between the institution and such agencies for the investigation of alleged criminal offenses. If student or staff needs to report a crime that occurred off campus, the GPTC Police Department will ensure that the responsible jurisdiction is apprised of the reporting crime.

TIMELY WARNINGS & EMERGENCY NOTIFICATIONS

The GPTC Police Department is primarily responsible for determining the content and distributing a Timely Warning and Emergency Notifications to the community, and such notifications are distributed via official GPTC email, text messages or voice phone alerts.

Timely Warning Notifications

A Timely Warning Notification is distributed to the GPTC community for all Clery Act crimes that are (1) reported to campus security authorities or local police and (2) determined by the institution to represent a serious or continuing threat to students and employees. Such reports shall be provided to students and employees in a manner that is timely, that withholds the names and other identifying information of victims, and will provide protective advice that will aid in the prevention of similar occurrences.

Timely Warning Notifications are designed based on the severity of the crime, the continuing threat to the College Community and the population most likely to be at risk. Timely Warning Notifications will provide a description of the incident, where and when it occurred, a physical description of the perpetrator, any connection to previous reported incidents, category of individuals who may be at risk. Dissemination of Timely Warning Notification will depend on similar factors and will consist of GPTC Alert phone notification via text and/or voice, and electronic mail. Similar mechanisms may be used in the event of other emergency

circumstances that, while not criminal in nature, nevertheless threaten the safety of members of the College Community.

The decision to issue a timely warning shall be decided on a case-by-case basis. The decision is made by the Chief of Police or his designee considering all available facts, including whether the crime is considered to be a serious or continuing threat to students or employees. Certain specific information may be withheld from a warning if there is a possible risk of compromising law enforcement efforts. But if a crime occurs that would pose a serious or continuing threat to the GPTC community, a Timely Warning Notification would be distributed to the campus community.

Emergency Notification to the GPTC Community about an Immediate Threat

The President's Office, including GPTC Police, receives information from various offices/departments on campus and local 911 public safety agencies. When the President or designee (Administrator in Charge or "Notifier") confirms that there is an emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the GPTC community, the Notifier is authorized by the President to determine the content of the message and to use some or all of the systems described below to immediately communicate the threat to the GPTC community or to the appropriate segment of the community, if the threat is limited to a particular building or segment of the population.

The Notifier will delay the notification only if issuing a notification will, in the judgment of the first responders or the on-duty police officer, compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. In the event of a serious incident that poses an immediate threat to members of the GPTC community, the College has various systems in place for communicating information quickly.

Some or all of these methods of communication may be activated in the event of an immediate threat to the GPTC campus community. These methods of communication include network emails, emergency text messages that can be sent to a phone (faculty, staff, and students are automatically enrolled in emergency messages and can choose to opt-out), fire alarms, public address and emergency messages on the campus website. The College will post updates during a significant emergency on the GPTC Campus website. Significant emergencies include: fire, tornado, and gas leak, nearby chemical or hazardous waste spill, earthquake, terrorist incident, armed intruder, bomb threat, civil unrest, explosion, outbreak of serious illness.

The following employees are authorized by the President to request an emergency notification message at their discretion based on information and good faith judgment: Chief of Police, Assistant Chief of Police, Emergency Management Coordinator, Executive Vice President, Dean of Industrial Technologies, Vice President of Student Affairs, Director of Facilities, and the Director of Human Resources, by the Executive Director of Marketing & Communications.

The Executive Director of Marketing & Communications and the President will develop information to be disclosed to the broader community and will disseminate the information

through media outlets, newspapers, web sites, radio and television. Georgia Piedmont Technical College does not have any student housing or dormitories.

While an institution is not required to issue a Timely Warning with respect to crimes reported to a pastoral or professional counselor, once again, GPTC does not employ any pastoral or professional counselors at this time.

There are other instances when a notification is sent out to the campus community. These are called Emergency Notifications. GPTC will send out these types of notifications if there is an incident that affects the day-to-day operations of the campus community. These include but are not limited to:

- Heavy police activity that restricts access to a campus;
- An on-going threat that is outside of the campus's Clery geography, but may pose a risk to the community;
- A natural disaster that requires a campus to be closed;

How Will a Timely Warning and Emergency Notifications Be Issued

The warning process will at a minimum entail a combination of the following:

- All-campus electronic mail notifications
- All-Campus text and voice notifications
- ReGroup Emergency Alert
- The campus wide Voice over Internet Protocol (VoIP) announcement system.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

Emergency Management at Georgia Piedmont Technical College

The Georgia Piedmont Technical College Emergency Operations Plan is designed to provide a resource for Georgia Piedmont Technical College personnel, administrators, and students to assist with information and provide guidelines in planning and responding in a crisis. While the Emergency Operations Plan does not cover every conceivable contingency, it does provide the basic administrative guidelines to cope with most emergencies.

All College administrators, especially those whose responsibilities and authority include the operational areas specified in the Plan, must adhere to these guidelines. Only those College administrators responsible for directing and/or coordinating emergency operations may approve exceptions to these crisis management procedures as required to fulfill the emergency response. The Chief of Police is responsible for annual review of these procedures with input from other key stakeholders on campus, including the Public Safety Review Team, as well as selected others with specific responsibilities outlined in the plan.

The College's Emergency Operations Plan, located under forms on the GPTC intranet intranet.gptc.edu contains "best practices" and information about Emergency Guidelines for

the campus community; College emergency procedures; pre-emergency planning and performance expectations; “shelter-in-place,” “secure-in-place” and evacuation guidelines; and local contingency and continuity planning requirements. College departments are responsible for developing contingency plans and continuity of operations plans for their staff and areas of responsibility.

A copy of the College’s Emergency Operations Plan can be found on the college’s intranet or click the link: <https://intranet.gptc.edu/forms/?action=faq&cat=4&id=77&artlang=en>

Drills, Exercises, and Training

The college conducts an emergency response and evacuation exercises on campus each year, including fire drills, tabletop exercises and tests of its emergency notification system, and the GPTC Alert System (immediate mass notification). These tests and drills are designed to assess and evaluate the emergency plans and capabilities of the institution. The college tests aspects of the campus emergency notification system annually. Additionally, the mass notification system, GPTC Alert, which distributes email and text to all faculty, staff and students, is tested annually. Fire drills are conducted each semester. The exercises listed below were conducted in 2024:

- **Emergency Notification Test was conducted in August.**

General information about the emergency response and evacuation procedures for Georgia Piedmont Technical College are publicized each year as part of the institution’s Clery Act compliance efforts (GPTC’s Annual Security Report). That information is available on the Georgia Piedmont Technical College website at www.gptc.edu.

GPTC Police have received training in Incident Command and Responding to Critical Incidents on Campus. When a serious incident occurs that causes an immediate threat to the campus, the first responders to the scene are usually GPTC Police, local law enforcement agencies, local fire responders and emergency medical services. All departments typically respond and work together to manage the incident. Depending on the nature of the incident, other College departments and local or federal agencies could also be involved in responding to the incident. General information about the emergency response and evacuation procedures for Georgia Piedmont Technical College are publicized each year as part of the institution’s Clery Act compliance efforts (GPTC’s Annual Security Report). That information is available on the Georgia Piedmont Technical College website at <https://www.gptc.edu/current-students/student-support-services/security-campus-police>

GPTC Emergency System Enrollment

To provide GPTC faculty, staff and students with timely emergency and weather closing notifications, the college utilizes an emergency alert system through Regroup. Regroup delivers messages via **SMS (text message to your cell phone), e-mail, and voice phone**

calls, currently, all GPTC faculty, staff, and students are automatically enrolled into the notification system.

Sign up is automatic, and GPTC pledges that your information is confidential and used **ONLY** for notification via GPTC Alert! You will not be spammed, and GPTC will **NOT** use this system for “routine reminders” (such as registration deadlines, etc.) GPTC’s ReGroup will be used exclusively for emergency and weather/campus closing messages.

To receive notifications via SMS text messages to your mobile phone, you must have text messaging enabled on that.

Evacuation Procedures

GPTC has established procedures to ensure to the greatest extent possible the safety and welfare of the College’s students and employees. However, there are no intercom system in the buildings.

- All occupants of a given building should exit the building according to the posted evacuation route.
- Once the occupants are outside the building they should proceed to the designated “Evacuation Safety Zone” for that building.

- Faculty and Administrators will be responsible for accounting for their students and employees once they reach the evacuation zone.

In the event that it is necessary to evacuate the entire campus by automobile the following procedure will be taken:

- GPTC Police will designate GPTC personnel to assist in directing traffic.
- All traffic will be suspended until the campus is cleared.
- All traffic must flow continuously as directed by authorized personnel.

If there is an immediate threat to the health or safety of students or employees occurring on campus, GPTC will follow the emergency notification procedures. While GPTC is not required to issue a timely warning based on the same circumstances, however GPTC will provide adequate follow-up information to the community as needed. The follow-up information will be provided via email, emergency alert notification, and depending upon the nature of the incident, on the college's website.

SECURITY OF AND ACCESS TO CAMPUS FACILITIES

The use of any property or facility owned by Georgia Piedmont Technical College, or upon which College activities are conducted, is limited to registered students, authorized visitors, and employees.

The Vice President of Student Affairs and Chief of Police shall have authority to designate certain campus areas or facilities as public areas or facilities, which shall be open to members of the general public without prior registration with the GPTC Police Department, or certain events as public events for which prior registration with the GPTC Police Department shall not be required. In addition, the Vice President of Student Affairs and Chief of Police shall have the authority to adopt different procedures for registering visitors for designated events.

All students, faculty, and staff shall always conspicuously display an identification badge issued by the College while on campus. All students shall be required to possess a valid identification card at all times while on campus and shall present the same to faculty or staff when requested.

Most campus facilities are unlocked during normal business hours. Labs that contain computers and related equipment are only open for use when an instructor or other authorized staff member is present. Access control is an important part of security. Facilities Maintenance personnel supervise the locking and unlocking of buildings. The Assistant Chief of Police approves and issues keys. All buildings on the GPTC campuses are alarmed and monitored while closed. Only staff with keys and an access code can enter after hours. Students may not remain in the buildings without an instructor present.

Outdoor lighting is maintained for access to buildings and in parking areas. Maintenance reports for broken locks or lights should be made immediately to the Director of Facilities. The college maintains agreements with public utilities and contractors for routine maintenance and

replacement of exterior lighting. Video surveillance cameras are in use at campuses. Campus grounds, lawns, trees and shrubbery are maintained in a manner to increase visibility and to deter criminal activity.

Special Considerations for Residence Hall Access

Georgia Piedmont Technical College does not have any residence halls. Therefore, this section does not apply.

Security Considerations for the Maintenance of Campus Facilities

Facilities and landscaping are maintained in a manner that minimizes hazardous conditions. GPTC Police and security personnel constantly patrol the premises and are able to check for malfunctioning lights or unsafe conditions and report them to Facilities. All hazardous materials are kept in the college's inventory log, and is maintained by each Program Administrator and the Exposure Control Coordinator. The log is audited bi-annually.

Behavioral Intervention Team (BIT)/ The Safe Place

The purpose of the Behavioral Intervention Team (BIT) is to provide a cross-functional, multidisciplinary review of student behaviors perceived as aberrant, threatening or dangerous. Our goal is to confidentially address behaviors of concern, while demonstrating due diligence for the safety of our students, faculty and staff. BIT meetings maximize the opportunity to effectively resolve the issue and minimizes the likelihood that problematic behavior will escalate.

- Concern Form — For non-emergency situations, we utilize the online platform Maxient to report concerning behavior. The link to notify us of concerning behavior is below: https://cm.maxient.com/reportingform.php?GeorgiaPiedmontTC&layout_id=42.
- The BIT will coordinate a team response to the issue and keep you informed. This may include removal from class and/or campus until the threat can be assessed. Please also inform your School Dean or supervisor.

GPTC's RESPONSE TO SEXUAL AND GENDER VIOLENCE

Georgia Piedmont Technical College (GPTC) is committed to maintaining a fair and respectful environment for living, work and study. To that end, and in accordance with federal and state laws, the Technical College System of Georgia (TCSG) policy, and college policy, the College prohibits harassment of or discrimination against any person because of race, color, sex (including sexual harassment and pregnancy), sexual orientation, gender identity, gender expression, ethnicity or national origin, religion, age, genetic information, disability, or veteran status by any member of the GPTC Community on campus, in connection with a College program or activity, or in a manner that creates a hostile environment for members of the GPTC community. Incidents of harassment and discrimination will be met with appropriate disciplinary action, up to and including dismissal, expulsion, or termination from GPTC.

Every member of the GPTC community is expected to uphold this policy as a matter of mutual respect and fundamental fairness in human relations. All members of the student body and employees are expected to ensure that nondiscriminatory practices are followed at the College.

Any student, employee, visitor with a complaint or concern that is related to these standards should contact the Office of the Vice President of Academic Affairs at 404-297-9522, Ext. 1176, located in "A" Building, Room 101D or the Office of Human Resources at 404-297-9522, Ext. 1210 located in "A" building, Room 157.

Georgia Piedmont Technical College does not discriminate on the basis of sex in its educational programs and sexual harassment and sexual violence are types of sex discrimination. Other acts can also be forms of sex-based discrimination and are also prohibited whether sexually based or not and include dating violence, domestic violence, and stalking. As a result, Georgia Piedmont Technical College issues this statement of policy to inform the community of our comprehensive plan addressing sexual misconduct, educational programs, and procedures that address sexual assault, domestic violence, dating violence, and stalking, whether the incident occurs on or off campus and when it is reported to a college official. In this context, Georgia Piedmont Technical College prohibits the offenses of domestic violence, dating violence, sexual assault and stalking and reaffirms its commitment to maintain a campus environment emphasizing the dignity and worth of all members of the college community.

A complete copy of Georgia Piedmont Technical College policy governing sexual misconduct is found in the conduct proceedings.

Definitions

Consent:

The State of Georgia does not define "Consent" in reference to sexual activity. However, Georgia Piedmont Technical College defines "**Consent**" in reference to sexual activity as a voluntary, positive agreement between the participants to engage in specific sexual activity. Consent must be clear and unambiguous for each participant at every stage of a sexual encounter. The absence of "no" should not be understood to mean there is consent. A prior relationship does not indicate consent to future activity.

Communicating consent to sexual activity can occur in a variety of ways, but one should presume that consent has not been given in the absence of a clear, positive agreement. While verbal consent is not an absolute requirement for consensual sexual activity, verbal communication prior to engaging in sex helps to clarify consent. Communicating verbally before engaging in sexual activity is imperative. However, potentially awkward it may seem, talking about you and your partner's sexual desires, needs, and limitations provide a basis for a positive experience.

A person who is asleep or mentally or physically incapacitated, either through the effect of drugs or alcohol or for any other reason, is not capable of giving valid consent. The use of alcohol or

drugs may seriously interfere with the participants' judgment about whether consent has been sought and given.

In Georgia, **Sexual Assault** is defined under OCGA 16-6-5. As “sexual contact” is that is perpetrated by “a person who has a supervisory or disciplinary authority over another individual.”

Rape:

Under Georgia law O.C.G.A 16-6-1, rape is defined as a man having “carnal knowledge” of “a female forcibly and against her will.” In this instance, carnal knowledge is very specifically defined as “penetration of the female sex organ (vagina) by the male sex organ (penis).” Rape can occur even between spouses, so the defendant cannot use the fact that he is married to the person accusing him of rape as a defense.

(b) A person convicted of the offense of rape shall be punished by death, by imprisonment for life without parole, by imprisonment for life, or by a split sentence that is a term of imprisonment for not less than 25 years and not exceeding life imprisonment, followed by probation for life. Any person convicted under this Code section shall, in addition, be subject to the sentencing and punishment provisions of Code Sections 17-10-6.1 & 17-10-7.

Statutory Rape:

Is when an individual engages in sexual intercourse with any person under the age of 16 and not his or her spouse. If the offender is 18 years or younger, and the victim is between 14-16 years of age, the offender is guilty of a misdemeanor.

Sodomy:

Is oral or anal sexual intercourse with another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental or physical incapacity.

Aggravated Sexual Battery:

Is the use of an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent because of his/her youth or because of his/her temporary, permanent mental or physical incapacity. An object or instrument is anything used by the offender other than the offender's genitalia (e.g. fingers, bottle, handgun, stick, etc.).

Criminal Sexual Contact:

Is the touching of the private body parts of another person for the purpose of sexual gratification, forcibly and/or against that person's will; or, not forcibly or against the person's

will where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental incapacity.

Incest:

Is when a person engages in sexual intercourse or sodomy with a person he or she knows he or she is related to either by blood or by marriage. OCGA 16-6-22 outlines the different types of relationships that would fall into this category.

Domestic Violence:

In Georgia, the term Domestic Violence is not defined but Family Violence is defined under OCGA § 19-13-1 as “The occurrence of one or more of the following acts between past or present spouses, persons who are parents of the same child, parents and children, stepparents and stepchildren, foster parents and foster children, or other persons living or formerly living in the same household: (1) Any felony or (2) Commission of offenses of battery, simple battery, simple assault, assault, stalking, criminal damage to property, unlawful restraint, or criminal trespass”.

Dating Violence:

In Georgia, as of July 1st, 2022, the term Dating Violence has been amended to the Family Violence statute. OCGA § 19-13A-1 defines a 'Dating relationship' as a committed romantic relationship characterized by a level of intimacy that is not associated with mere friendship or between persons in an ordinary business, social, or educational context; provided, however, that such term shall not require sexual involvement. 'Dating violence' means the occurrence of one or more of the following acts between persons through whom a current pregnancy has developed or persons currently, or within the last twelve months were, in a dating relationship: Any felony; or Commission of the offenses of simple battery, battery, simple assault, or stalking.

Stalking:

In Georgia, Stalking is defined under O.C.G.A. 16- 5-90 as “(a)(1) A person commits the offense of stalking when he or she follows, places under surveillance, or contacts another person at or about a place or places without the consent of the other person for the purpose of harassing and intimidating the other person. For the purpose of this article, the terms ‘computer’ and ‘computer network’ shall have the same meanings as set out in Code Section 16-9-92; the term ‘contact’ shall mean any communication including without being limited to communication in person, by telephone, by mail, by broadcast, by computer, by computer network, or by any other electronic device; and the place or places that contact by telephone, mail, broadcast, computer, computer network, or any other electronic device is deemed to occur shall be the place or places where such communication is received.

For the purpose of this article, the term ‘place or places’ shall include any public or private property occupied by the victim other than the residence of the defendant. For the purposes of this article, the term ‘harassing and intimidating’ means a knowing and willful course of conduct directed at a specific person which causes emotional distress by placing such person in reasonable fear for such person's safety or the safety of a member of his or her immediate family, by establishing a pattern of harassing and intimidating behavior, and which serves no

legitimate purpose. This Code section shall not be construed to require that an overt threat of death or bodily injury has been made.

(2) A person commits the offense of stalking when such person, in violation of a bond to keep the peace posted pursuant to Code Section 17-6-110, standing order issued under Code Section 19-1-1, temporary restraining order, temporary protective order, permanent restraining order, permanent protective order, preliminary injunction, or permanent injunction or condition of pretrial release, condition of probation, or condition of parole in effect prohibiting the harassment or intimidation of another person, broadcasts or publishes, including electronic publication, the picture, name, address, or phone number of a person for whose benefit the bond, order, or condition was made and without such person's consent in such a manner that causes other persons to harassment or intimidation of another person, broadcasts or publishes, including electronic publication, the picture, name, address, or phone number of a person for whose benefit the bond, order, or condition was made and without such person's consent in such a manner that causes other persons to harass or intimidate such person and the person making the broadcast or publication knew or had reason to believe that such broadcast or publication would cause such person to be harassed or intimidated by others."

Hazing:

While the Department of Education does not require hazing to be addressed within the Annual Security Report, the state of Georgia implemented the "Max Gruver Act" which requires all public and private institutions of higher education to display on their website a list of any reported hazing incidents and their dispositions. GPTC is committed to provide a safe learning environment that supports the dignity of all college community members. In 2024, we did not have any reported hazing incidents. Here is the link to our website outlining the "Max Gruver Act", and the updated list of incidents. <https://www.gptc.edu/current-students/campus-services-amenities/reporting-policies/>

If you need to report an incident of hazing, please contact John Colson, Vice President for Student Affairs at (404) 297-9522 ext. 1752 or via email at colsonj@gptc.edu.

College Procedures for Reporting Sexual Assault

Georgia Piedmont Technical College is committed to treating victims of sexual assault with respect and will keep reports of such assaults confidential to the extent required by the victim. Victims are entitled to privacy during every aspect of the reporting process and any ensuing investigation. All information obtained will be confidential. Persons who believe they have been sexually assaulted or been subjected to any sexual offense on campus should immediately report the incident to a local law enforcement agency by calling 911 and the GPTC Police Department or to any College employee who has been identified as a Campus Security Authority.

Victims have the right to receive medical treatment and counseling services. The college official and/or GPTC Police Department will inform victims they have the option to report their case through the college judicial system and/or have the appropriate police agency respond and conduct a full investigation. Victims have the right to refuse these sanctions or any assistance and forgo prosecution after an assault is reported.

Victims will be made aware of appropriate student services and counseling available through community-based counseling services. Georgia Piedmont Technical College will notify victims of a sexual assault of the options to adjust their academic schedule whenever reasonably possible. Victims also have the right to decline any schedule adjustments.

The following is a list of resources that may be used in the event of a sexual assault or other emergency:

Service	Contact Number
Emergency Assistance	404-297-9522 ext. 1700
GPTC College Police	404-297-9522 ext. 1700
Student Affairs	404-297-9522 ext. 1111
Police/Fire/Ambulance	911 or 311
Non-Emergency Reporting Center	404-294-2000
Victim Services	404-297-9522 ext. 1176
Rape Crisis	404-377-1428

Victims of a Sexual Assault should:

- Always go to a safe place.
- Contact GPTC Police if the assault occurred on campus.
- Preserve evidence: Whenever possible the victim should not shower, bathe, or douche, change clothing, or otherwise clean up. If at all possible, do not urinate. Important evidence could be destroyed or lost. Evidence found by investigators will help police conduct the investigation.
- Do not smoke, drink liquids, or brush their teeth if oral contact has been made.
- Keep clothing that was worn at the time of the offense; if clothes are changed, place clothing in a paper bag. (Note: evidence deteriorates in plastic.)
- Get prompt medical attention.
- Write down all details remembered as soon as possible.

In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted diseases. Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to college hearing boards/investigators or police. Although the College strongly encourages all members of its community to report violations of this policy to law enforcement, it is the victim's choice whether

or not to make such a report and victims have the right to decline involvement with the police. The Chief of Police will assist any victim with notifying local police if they so desire.

Procedures for Reporting an Incident

The College has procedures in place that are sensitive to those who report sexual assault, domestic violence, dating violence, and stalking, including informing individuals about their right to file criminal charges as well as the availability of medical, counseling and support services, and additional remedies to prevent contact between a complainant and an accused party, such as, academic, transportation and working accommodations, if reasonably available.

Students and employees should contact the Vice President of Student Affairs, Title IX Coordinator or GPTC Police. College staff will contact specially trained counselors at the Day League Crisis Center for professional assistance to guide a victim through the process.

After an incident of sexual assault and domestic violence, the victim should consider seeking medical attention as soon as possible. In Georgia, evidence may be collected even if you chose not to make a report to law enforcement. Evidence may be stored at the Day League Crisis Center up to one year.

Procedures for Reported Incidents of Dating Violence, Domestic Violence, Sexual Assault and Stalking

GPTC prohibits domestic violence, dating violence, sexual assault, and stalking. If you have been the victim of domestic violence, dating violence, sexual assault, or stalking, you should report the incident promptly to the Title IX Coordinator and Human Resource Director, DeKalb Campus Building Room A-157, phone 404-297-9522 x 1210; email saulsburyp@gptc.edu and GPTC Police (if the victim so desires). The College will provide resources to persons who have been victims of sexual assault, domestic violence, dating violence, or stalking, and will apply appropriate disciplinary procedures to those who violate this policy. The procedures set forth below are intended to afford a prompt response to charges of sexual assault, domestic or dating violence, and stalking, to maintain confidentiality and fairness consistent with applicable legal requirements, and to impose appropriate sanctions on violators of this policy.

If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with the Day League Crisis Center or law enforcement to preserve evidence in the event that the victim changes her/his mind at a later date.

Once an individual makes a complaint, or receives notice that a complaint has been made against him or her, that individual will receive information regarding support services, such as counseling, advocacy, academic support, disability services, health and mental services, and legal assistance, as is available at the institution.

College Disciplinary Procedures in Sexual Assault Incidents

In addition to criminal prosecution, any Georgia Piedmont Technical College student or employee who is reported to be the perpetrator of a sexual offense (including rape, acquaintance rape or any other forcible or non-forcible sex offense) in connection with any College sponsored activity is subject to college processes and procedures pertaining to disciplinary action. College disciplinary action can be initiated even if criminal charges are not

pursued. Allegations brought against a student will be processed according to the complaint procedures identified in the Student Handbook. Sanctions may include suspension or expulsion. Where desired by the victim, the College will make reasonable accommodations to the parties' academic schedules to avoid contact between the victim and the accused.

Allegations brought against an employee will be processed according to the procedures identified in the Employee Policy Manual. Sanctions may include suspension or termination of employment. Reasonable accommodations designed to prevent contact between the victim and the accused will be arranged by the college.

Both the accused and the accuser are entitled to the same opportunities to have others present during a disciplinary proceeding. Both the accused and the accuser will be informed of the outcome (final determination and sanction) of any institutional disciplinary proceeding that is brought alleging a sex offense.

Sex Offender Registry and Access to Related Information

Section 121 of the Adam Walsh Child Protection and Safety Act of 2006 (42 U.S.C. 16921) provides for the registration and tracking of sex offenders. Institutions of higher education are required to issue a statement advising the campus community where to obtain law enforcement agency information provided by a state concerning registered sex offenders. The law also requires sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student.

In Georgia, convicted sex offenders must register with the Georgia Department of Corrections. You may obtain state information on individuals registered as sex offenders by visiting the Georgia Bureau of Investigation Sex Offender Registry web site at <https://gbi.georgia.gov/services/georgia-sex-offender-registry>

Education and Prevention Programs

The College engages in comprehensive educational programming to prevent domestic violence, dating violence, sexual assault and stalking. Educational programming consists of primary prevention and awareness programs for all incoming students and new employees and ongoing awareness and prevention campaigns for students and faculty that:

- Identifies domestic violence, dating violence, sexual assault and stalking as prohibited conduct
- Defines what behavior constitutes domestic violence, dating violence, sexual assault, and stalking; defines what behavior and actions constitute consent to sexual activity in the State of Georgia
- Provides safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault, or stalking against a person other than the bystander
- Provides information on risk reduction so that students and employees may recognize warning signs of abusive behavior and how to avoid potential attacks

- Provides an overview of information contained in the Annual Security Report in compliance with the Clery Act

The College has developed an annual educational campaign consisting of presentations that include distribution of educational materials to new students; participating in and presenting information and materials during new employee orientation; participating in the Spring and Fall Faculty/Staff orientation program; presenting programs throughout the year on at least a quarterly basis, and web-based training programs regarding issues students face with relationships and alcohol. Georgia Piedmont Technical College is committed to providing a safe, secure educational and work environment where individuals are free from the threat of sexual assault or other crimes involving force or intimidation.

Georgia Piedmont Technical College strives to make your educational environment safe. The college recognizes that individual conduct while on campus significantly impacts the quality of campus life. Georgia Piedmont Technical College recognizes sexual misconduct of any kind as a socially irresponsible behavior that violates the rights of other individuals. Student Affairs provides informational brochures and Community Resource information fairs as part of a program to enlighten everyone on how to avoid or prevent a sexual assault and also what to do should one occur.

Get Inclusive Student Training - Consent & Sexual Assault Prevention, including Bystander Intervention

The Technical College System of Georgia has partnered with Get Inclusive to create more inclusive communities through online trainings designed to raise awareness and instill participants with skills to identify and intervene in risky or potentially dangerous situations. Get Inclusive Campus SaVE training includes videos and transcripts, self-reflection journaling, and media clips. Topics covered in the Campus SaVE training include: definitions, College/University's Statement, primary prevention, bystander intervention, behaviors and norms, empathy building, and strategies for risk reduction. The following learning objectives will be achieved as a student completes the online training modules:

Students will:

- Develop a shared language around terms related to domestic violence, dating violence, sexual assault, stalking, and consent
- Become familiar with the campus's statement prohibiting domestic violence, dating violence, sexual assault, and stalking
- Consider the value and benefits of engaging all campus members as allies in sexual assault prevention by increasing knowledge and skills around bystander intervention and risk reduction
- Recognize appropriate and inappropriate behaviors along the continuum of sexual behaviors
- Increase empathy for victims of sexual assault resulting in a heightened sense of responsibility for playing a role in decreasing sexual violence on campus
- Become aware of the warning signs of sexually abusive and violent behavior

The Get Inclusive platform also provides the college with an Alcohol & Other Drugs training that is used for Code of Conduct Alcohol Violations.

Employee Sexual Assault Prevention Training

On March 1, 2019 in response to Governor Kemp's executive order Preventing Sexual Harassment in the Workplace, the Department of Administrative Services and the Office of the Inspector General issued the Statewide Sexual Harassment Policy. This policy, in addition to requiring standardized investigation procedures, mandates consistent sexual harassment prevention training for all employees.

Mandatory Sexual Harassment training is available for all Georgia Piedmont Technical College employees. The Sexual Harassment training for employees consists of six modules, and will define sexual harassment, your role in preventing it in the workplace, how it impacts your work environment, and how you can report it.

Accommodations

The College will make accommodations if the victim requests them and they are reasonably available. The College will maintain as confidential any accommodations or protective measures provided to the victim, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

Victim Confidentiality

The College will protect the identity of persons who report having been victims of sexual assault, domestic violence, dating violence, or stalking to the fullest extent of the law.

Risk Reduction of Sexual Assault, Dating Violence, Domestic Violence, and Stalking

Adopting a sense of personal responsibility for one's safety and common sense can provide a degree of protection from assault. Following is a list of safety tips:

- Find strength in numbers; attend social gatherings with a friend; stick together and arrange a pre-planned signal to alert one another when it's time to go or if either needs help
- Avoid walking or jogging alone at night and stick to lighted areas whenever possible; each campus provides escort services during evening hours; contact the relevant GPTC Police Department to arrange for an escort.
- Keep doors and windows locked and remain aware of your surroundings; never hitchhike

Each campus has informational brochures available describing how one may reduce the risk of sexual assault; campus programs designed to provide instruction on defensive skills are conducted upon request.

Bystander Intervention

The College encourages all community members to educate themselves about interpersonal violence and share this info with friends. Confront friends who make excuses for other people's abusive behavior, speak up against racist, sexist, and homophobic jokes or remarks. A good bystander is someone who models pro-social behaviors and intervenes when a potentially dangerous situation occurs.

To combat sexual assault on campus, the most powerful tool is your conveying your concern. The best way bystanders can assist in creating an empowering climate free of interpersonal violence is to diffuse the problem behaviors before they escalate.

Often people don't intervene because they may assume the situation isn't a problem, or feel it is none of their business. They may assume that someone else will do something, or believe that other people weren't bothered by the problem. In some cases, a person might feel their personal safety is at risk. When people do intervene in a situation, they often say that it was the right thing to do, and that they would want someone to intervene if the roles were reversed.

Bystander Intervention Keys:

Notice the Incident Bystanders first must notice the incident taking place. Obviously, if they don't take note of the situation there is no reason to help.

Interpret Incident as Emergency Bystanders also need to evaluate the situation and determine whether it is an emergency, or at least one in which someone needs assistance. Again, if people do not interpret a situation as one in which someone needs assistance, then there is no need to provide help

Assume Responsibility Another decision bystanders make is whether they should assume responsibility for giving help. One repeated finding in research studies on helping is that a bystander is less likely to help if there are other bystanders present. When other bystanders are present responsibility for helping is diffused. If a lone bystander is present, he or she is more likely to assume responsibility.

Attempt to Help Whether this is to help the person leave the situation, confront a behavior, diffuse a situation, or call for other support/security.

Tips for Intervening

In a situation potentially involving sexual assault, relationship violence, or stalking:

- Do not be antagonistic
- Avoid using violence
- Be honest and direct whenever possible
- Recruit help if necessary
- Keep yourself safe
- Keep your phone handy, call for help or document when you can safely do so
- If things get out of hand or become too serious, contact Campus Security/Police

Rape Awareness

Georgia Piedmont Technical College strives to make your educational environment safe. The college recognizes that individual conduct while on campus significantly impacts the quality of campus life. Georgia Piedmont Technical College recognizes sexual misconduct of any kind as a socially irresponsible behavior that violates the rights of other individuals. Student Affairs provides informational brochures as part of a program to enlighten everyone on how to avoid or prevent a sexual assault and also what to do should one occur.

All reports of sexual assault will initiate an internal mechanism for employees and students to resolve the complaint through the college's Procedure for the Resolution of Sexual Harassment Complaints.

Adjudication of Violations

Whether or not criminal charges are filed, the College or a person may file a complaint under the Student Code of Conduct or Sexual Harassment/Discrimination policy alleging that a student or employee violated College policy. For employee complaints: <https://www.gptc.edu/compliance-notices/equal-opportunity/>. Reports of all domestic violence, dating violence, sexual assault and stalking made to Campus Security will automatically be referred to the Title IX Coordinator for investigation regardless of if the complainant chooses to pursue criminal charges.

The College's student disciplinary process will include a prompt, fair, and impartial investigation and resolution process. Investigators and hearing board members are trained annually on the issues related to domestic violence, dating violence, sexual assault, and stalking and taught how to conduct an investigation and hearing process that protects the safety of the victim and promotes accountability. The policy provides that:

The accuser and the accused each have the opportunity to attend a hearing before a properly trained hearing board.

The accuser and the accused student each have the opportunity to be advised by a personal advisor of their choice, at their expense, at any stage of the process and to be accompanied by that advisor at any meeting or hearing. An advisor may only consult and advise his or her advisee, but not speak for the advisee at any meeting or hearing;

A student conduct decision is based on the preponderance of evidence, standard, i.e. "more likely than not to have occurred" standard. In other words, the conduct process asks: "is it more likely than not that the accused student violated the College's Student Conduct Code?"

The accuser and the accused will be notified simultaneously in writing of the outcome of any disciplinary proceeding, as well as any changes to those results or disciplinary actions prior to the time that such results become final; and

The accuser and the accused each have the right to appeal the outcome of the hearing.

<https://www.gptc.edu/compliance-notices/equal-opportunity/>

Information on the appeals process is located on the college web page and Students will be notified simultaneously in writing of the final outcome after the appeal is resolved. A person alleging sexual assault, domestic violence, dating violence, or stalking may also utilize the complaint and investigatory procedures set forth in the College's policy against Sexual Harassment in order to remedy any hostile environment.

All conduct proceedings against students, however, will be resolved through:

<https://www.gptc.edu/compliance-notices/equal-opportunity/>

When a complainant does not consent to the disclosure of his or her name or other identifiable information to the alleged perpetrator, the College's ability to respond to the complaint may be limited.

Assistance for Victims: Rights & Options

Regardless of whether a victim elects to pursue a criminal complaint, the College will assist victims of sexual assault, domestic violence, dating violence, and stalking and will provide each victim with a written explanation of their rights. In Georgia, a victim of domestic violence, dating violence, sexual assault or stalking has the following rights:

<http://www.djj.state.ga.us/Victims/PDF/GeorgiaCrimeVictimBillRights.pdf>

- The College will assist victims of sexual assault, domestic violence, dating violence, and stalking upon request for incidents occurring off campus and will provide each victim with information on local resources and prevention materials.
- Victims may call the local Rape Crisis Center for assistance and help in filing for a temporary protective order. Any person who obtains an order of protection should provide a copy to Campus Security and the Office of the Title IX Coordinator. Further, Georgia Piedmont Technical College complies with Georgia law in recognizing temporary protective orders (TPO). Any person who obtains a temporary protective order from Georgia or any reciprocal state should provide a copy to Georgia Piedmont Technical College Police Department and the Office of the Title IX Coordinator. A complainant may then meet with Georgia Piedmont Technical College to develop a Safety Action Plan, which is a plan for GPTC Police and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but is not limited to: escorts, special parking arrangements, changing classroom location or allowing a student to complete assignments from home. The College cannot apply for a temporary protective order for a victim. The victim is required to apply directly for these services.

Who is Eligible to Apply for a TPO?

Before an application for a TPO can be made, an act of family violence or stalking must have occurred.

The following parties are eligible to apply:

- Spouses (present or past)
- Parents of the same children
- Parents and children
- Step-parents and step-children
- Foster parents and foster children
- Persons living or formerly living in the same household

How is a TPO Obtained?

The first step in obtaining a TPO is the application process. A representative (advocate) will assist you with the required paperwork. The advocate is located at the county courthouses in DeKalb, Newton and Rockdale counties in the Office of the District Attorney. The advocate will provide the required paperwork for parties seeking temporary protective orders. Additional duties of the advocate include entering information into the state computer system and screening cases before bringing said matters before the presiding judge. If there is a finding by the judge that there is probable cause to believe that an act of family violence has occurred in the past and may occur in the future, the Court may order such relief as is deemed appropriate.

- After the responding party has been served with a copy of the order by the Sheriff's Office, a hearing will be held within 30 days. Both parties will have the opportunity to be present at the hearing. An assisting Superior Court Judge will determine by a preponderance of the evidence if it is warranted to continue the protective order for a period of up to 12 months.
- A complainant may then meet with the Vice President for Student Affairs and Campus Security to develop a Safety Action Plan, which is a plan for GPTC Police and the victim to reduce risk of harm while on campus or coming and going from campus.
- The plan may include, but is not limited to: escorts, special parking arrangements, changing classroom location or allowing a student to complete assignments from home, etc.

To the extent of the victim's cooperation and consent, College offices, including Academic Affairs, Student Services, Title IX and GPTC Police will work cooperatively to ensure that the complainant's health, physical safety, work and academic status are protected, pending the outcome of a formal College investigation of the complaint. For example, if reasonably available, a complainant may be offered changes to academic or working situations in addition to counseling, health services and assistance in notifying local law enforcement. The Title IX Coordinator and Day League Crisis Center serve as the student's point of contact for services. Additionally, personal identifiable information about the victim will be treated as confidential and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources or support services to the complainant. The College does not publish the name of crime victims nor house identifiable information regarding victims in the campus Daily Crime Log or online. Victims may request that directory information on file be removed from public sources by request by filing the appropriate form with Student Affairs.

POLICIES GOVERNING ALCOHOL AND OTHER DRUGS

Drug Free School and Workplace Policy

This policy has been developed in concert with the federal Drug Free Schools and Communities Act which was enacted to ensure that any institution of higher education that receives funds under any federal program has adopted and implemented a program to prevent the use of illicit drugs and abuse of alcohol by students. It also incorporates the statutory mandates required under the state Drug-Free Postsecondary Education Act of 1990 (O.C.G.A. § 20-1-20 et seq.)

Violation of such prohibition shall result in action against the employee/student, which shall include action up to and including termination/expulsion, and/or satisfactory participation in an approved drug or alcohol abuse assistance or rehabilitation program. Participation in such a program shall not be paid for by the college, but may be covered by a(n) employee's/student's health insurance policy.

All violations of the above policy shall be reported to the college president, or his/her designee, who shall report the violation to the appropriate police authority. Action shall be taken in all cases of chargeable offense under the provisions of the applicable state law or comparable

The employee/student against whom such action is taken shall be entitled to due process through the rules and regulations of Georgia Piedmont Technical College.

GPTC DISCLOSURE OF CRIME STATISTICS

GPTCPD prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The report is available in a hard copy at the Clarkston Campus room 168 or on the security and campus police website at: <https://www.gptc.edu/current-students/campus-services-amenities/security-campus-police/>. This report is prepared in cooperation with local law enforcement agencies surrounding our main, satellite campuses, and learning centers. Campus crime, arrest and referral statistics include those reported to the GPTC Police, designated campus officials (including but not limited to directors, deans, department heads, student affairs, and advisors to students/student organizations), and local law enforcement agencies.

Georgia Piedmont Technical College includes in its crime statistics all crimes occurring on or within its Clery Geography that are reported to a campus security authority for purposes of Clery Act Reporting. GPTC does not require initiating an investigation or disclosing personally identifying information about the victim in compliance with the Violence Against Women Act of 1994.

Each year, an e-mail notification will be sent to all enrolled students that will provide the website address to access this report. Faculty and Staff will receive a similar notification.
