

2024 SUMMER STEM CAMP

JUNE 10 THROUGH 14
FROM 9AM TO 3PM
GEORGIA PIEDMONT TECHNICAL COLLEGE
(CLARKSTON CAMPUS)

Dear community partner,

Georgia Piedmont Technical College's Economic Development division has partnered with the CERM Legacy Foundation to develop this year's Science Technology Engineering and Math (STEM) Camp for middle and high school students. The STEM Camp will be held June 10 through June 14.

STEM education equips students with skills that are essential in today's world. It helps children to think critically, solve problems, and make decisions based on data and evidence. Additionally, STEM education opens up a world of possibilities for children, as it prepares them for a wide range of careers, from science and technology to medicine, engineering, and beyond.

We need your support in order to provide this opportunity at no cost to the students. Your help will allow us to provide:

- food, beverages, and snacks
- commemorative t-shirt and souvenir
- science/engineering kits
- instructional supplies

We are offering sponsorship opportunities at three different levels; bronze, silver, and gold.

The *bronze sponsorship* is \$500, and we will include the *name of your company* on the back of the camp t-shirt.

The *silver sponsorship* is \$1,000, we will include your *company's name and logo* on the back of the camp t-shirt and in addition to any promotional items and camp advertisements.

The *gold sponsorship* is \$2,000 and includes everything from the silver sponsorship, plus the opportunity to speak to the parents and campers at the closing celebration.

Contributions to the STEM Camp are managed by the Georgia Piedmont Technical College Foundation. The Georgia Piedmont Technical College Foundation is a 501(c) 3 organization, and your contributions are tax deductible.

You can find more information about the STEM Camp by visiting <https://www.gptc.edu/summer-stem-camp/>. If you would like to be included as a sponsor or have any questions or other ways that you are able to support this initiative, please contact me at the information listed below.

Regards,

Alvie Coes, III
