

## **Construction Career READY Fundamentals**

***This is your pathway to a great career in Construction.***

There are more great careers in construction than there are trained people to fill them. In response to this demand, Georgia Piedmont Technical College has partnered with Goodwill of North Georgia to develop the Construction Career Fundamentals Program to prepare you for a career in construction. Upon successful completion, participants will receive the following certifications and certificates, as well as awareness to skill sets that lead to employment in various construction related industries:

- **OSHA 10-Hour Safety Certification**
- **Georgia BEST Soft Skills**
- **Forklift Operator Certification**
- **Heavy Equipment Excavator & Dozer**
- **Georgia State Flagging Certification**

### ***Program schedule and location***

#### **Mandatory Orientation, Registration, and Soft Skills Training**

July 29 to August 9, 2019

9am-12pm every Tuesday, Wednesday, and Thursday

GPTC's South DeKalb Campus

#### **Construction Fundamentals Training**

August 12 to September 13, 2019

9am-3pm Monday thru Friday

Goodwill of North Georgia, South DeKalb Center

## **Construction Career READY Fundamentals Information Session**

*This is your pathway to a great career in Construction.*

Taught through the Economic Development Division at Georgia Piedmont Technical College, the **Construction Career Fundamentals** program is geared towards individuals who have little or no construction experience, but who wish to reenter the workforce with new and in-demand skills. Upon successful completion, participants will receive the following certifications and certificates, as well as awareness to skill sets that lead to employment in various construction related industries:

- **OSHA 10-Hour Safety Certification**
- **Georgia BEST Soft Skills**
- **Forklift Operator Certification**
- **Heavy Equipment Excavator & Dozer**
- **Georgia State Flagging Certification**

**To learn more about the program, including if you qualify for financial support which would allow you to attend the program at no cost, please plan to attend an information session on June 19, 2019 at Rockdale Career Academy. The program will begin at 6pm.**

**For more information, or to RSVP, contact:  
Kevin Lane | Corporate and Continuing Education  
(404) 297-9522 ext. 5014  
GoMetroCorporateCollege@gptc.edu**

**Classes begin July 29, 2019**
