Frequently Asked Questions

What are Continuing Education courses?

Continuing Education courses are classes that help enrich your current knowledge of a particular subject matter or skill. They are usually short-term classes and can run anywhere from 1 day to a few months. When you complete a Continuing Education course, you will receive a Certificate of Course Completion. Some of our courses do lead to a Professional certification. If so, it will be noted on the course page.

Do I need to apply for admission into Georgia Piedmont Technical College to take a Continuing Education course?

No. Continuing Education Courses are not for college credit; therefore, formal admission is not required for our Continuing Education Courses.

How do I register for a Continuing Education Course?

Submit your contact information on the non-credit registration request application to Continuing Education at GeorgiaFilmAcademy@gptc.edu. Be sure to note the course that you are interested in by listing it on the application.

How can I pay my \$750.00 course fee?

- Receipt of payment is the only way to confirm your seat in a course.
- We accept all major credit/debit cards, and money orders.

Can I reserve my spot with a partial payment?

No, we will only accept full payments for our courses.

Can I pay for my Continuing Education class on the day it starts?

No, all payments must be received by the payment deadline, which is one week prior to the start of the course.

Cancellations

Most classes have a minimum number of students that will ensure adequate enrollment, which is why we require registration at least one week prior to class. If enrollment is under the required number, you will be notified of cancellation at least 3 days before class is to begin. You will be refunded in full.

Refunds

100% refunds are granted for "on campus" classes including one- or two-day seminars, provided a withdrawal is requested twenty-four hours before the first class is scheduled to begin. NO refunds after the first scheduled class day. Please submit your withdrawal request by email to Continuing Education at GeorgiaFilmAcademy@gptc.edu.

Students registering and paying for an Ed2Go Online Continuing Education Classes will be granted a 100% refund after notification is made to the Continuing Education Department before the 6th business day from class start date.
