

# Design and Media Production Technology

## Diploma

DEM2

### Curriculum

|                                                                    |                                                                         |
|--------------------------------------------------------------------|-------------------------------------------------------------------------|
| <b>Basic Skills</b>                                                | <b>8</b>                                                                |
| ENGL 1010 Fundamentals of English I (3)                            | 3                                                                       |
| <i>Select ONE Math Course:</i>                                     | 3                                                                       |
| MATH 1011 Business Math (3)                                        |                                                                         |
| MATH 1012 Foundations of Mathematics (3)                           |                                                                         |
| <i>Select ONE course below:</i>                                    | 2                                                                       |
| EMPL 1000 Interpersonal Relations and Professional Development (2) |                                                                         |
| PSYC 1010 Basic Psychology (3)                                     |                                                                         |
| <b>Occupational Courses</b>                                        | <b>39</b>                                                               |
| <b>Required Courses:</b>                                           | <b>16</b>                                                               |
| DMPT 1000 Introduction to Design (4)                               | DMPT 1010 Raster Imaging (4)                                            |
| DMPT 1005 Vector Graphics (4)                                      | DMPT 2930 Exit Review (4)                                               |
| <i>Select one of the following Technology courses:</i>             | 3                                                                       |
| COMP 1000 Introduction to Computer Literacy (3)                    |                                                                         |
| CIST 1101 Working with Microsoft Windows (3)                       |                                                                         |
| DMPT 1055 Introduction to Media Technology (4)                     |                                                                         |
| <b>Occupational Electives: (Choose 16 credit hours below.)</b>     | <b>16</b>                                                               |
| DMPT 1020 Introduction to Photography (4)                          | DMPT 2440 Overview of Video Game Art and Design (4)                     |
| DMPT 1500 Introduction to Television Production (4)                | DMPT 2520 Lighting for Television (4)                                   |
| DMPT 1505 Introduction to Digital Post Production (4)              | DMPT 2525 Writing for Broadcast (4)                                     |
| DMPT 1600 Introduction to Video Production (4)                     | DMPT 2600 Basic Video Editing (4)                                       |
| DMPT 2100 Identity Design (4)                                      | DMPT 2600 Basic Video Editing (4)                                       |
| DMPT 2105 Page Layout (4)                                          | DMPT 2605 Introduction to Video Compositing and Broadcast Animation (4) |
| DMPT 2110 Publication Design (4)                                   | DMPT 2610 Intermediate Video Compositing and Broadcast Animation (4)    |
| DMPT 2135 Documentary Photography (4)                              | DMPT 2615 Intermediate Video Editing (4)                                |
| DMPT 2300 Foundations Interface Design (4)                         | DMPT 2630 Post-Production Audio (4)                                     |
| DMPT 2400 Basic 3D Modeling and Animation (4)                      | DMPT 2640 Color Grading (4)                                             |
| DMPT 2405 Intermediate 3D Modeling (4)                             | DMPT 2800 Intermediate Video Production (4)                             |
| DMPT 2410 Digital, Texture and Lighting (4)                        | DMPT 2805 Narrative Filmmaking (4)                                      |
| DMPT 2415 Character Rigging (4)                                    | DMPT 2810 Documentary Filmmaking (4)                                    |
| DMPT 2420 3D Production and Animation (4)                          |                                                                         |
| <i>Select four credit hours</i>                                    | 4                                                                       |
| Any DMPT above                                                     | RART 1100 Introduction to the Music Industry (3)                        |
| RART 1200 Introduction to Sound Production (3)                     | FILM 1450 GFA- Grip and Rigging (6)                                     |
| FILM 1100 GFA Intro to On-Set Film Prod (6)                        | FILM 1510 GFA Set Construct and Painting (6)                            |
