

Georgia Film Academy On-Set Production Assistant

Three Semester Technical Certificate of Credit

MAJOR CODE: GF21 REQUIRED CREDIT HOURS: 18 CIP Code: 50.0602

Location(s): DeKalb. This program is offered in collaboration with Georgia Film Academy. It provides an introduction to the skills used in on-set film production, including all forms of narrative media, which utilize film-industry standard organizational structure, professional equipment, and on-set procedures. In addition to the use of topical lectures and instructional resources, the course includes demonstrations of equipment and set operations as well as hands-on learning experiences. Students will learn film production organizational structure; job descriptions and duties in various film craft areas; film equipment functions and protocols; how the various film crafts relate to one another on a working set as well as how and why they all must operate in sync; and networking and self-marketing skills.
