Frequently Asked Questions Continued

► **How can I make a payment?**

Go to www.gptc.edu

Select **Current students**

Select **Paying for College**

Select **How to Pay**

Select **Make Single Payment or Setup Monthly Payments**

► **How do I know if I have enough financial aid to pay for all of my courses?**

Compare your award amount to the cost of tuition and fees for the semester. As long as the amount of your authorized financial aid is higher than your account charges you should not be dropped from your courses for non-payment.

► **What if I don't have enough financial aid to cover all of my charges?**

You are responsible for paying any portion of your bill that is not covered by your financial aid authorization. Additionally, you will be held immediately responsible for full payment of the total balance due.

► **My account charges are covered by an authorized third-party payer. What are my responsibilities?**

All authorized Third-Party Vouchers, including those that cover multiple terms, must be submitted every semester to the Cashier's Office when you register. Failure to do so can subject your account to the Drop for non-payment process, since the voucher must be manually applied to your account by the Cashier's Office.

► **I am a resident of Georgia, but my bill is showing the non-resident charge, who shall I contact?**

If your bill is reflecting non-resident tuition, please contact the Office of Admissions at admissions@gptc.edu. You can also visit the Office of Admissions in Building A, Room 171 (DeKalb Campus) or Building A (Newton Campus).
