

Georgia Piedmont Technical College

# DRIVERS' ED CLASSES

**SCHOLARSHIPS AVAILABLE!\***

<https://georgiadrivers.ga.gov/suite/sites/student>

**WHY INVEST IN HIGH-PRICED PRIVATE DRIVING LESSONS** — when you can take low-cost, state-approved drivers' education courses\* at Georgia Piedmont Technical College?

The two-part course for teens aged 15-18 consists of:

- 30 hours in the classroom
- Six hours of behind-the-wheel training for students
- 30 minute parent-child orientation

Completion of these courses will enable students to obtain a Class D license.

All students are required to complete the Alcohol and Drug Awareness Program (ADAP) through their high school, and also obtain their learner's permit before registering with Georgia Piedmont.

\*Visit <https://georgiadrivers.ga.gov/gohs/gohshome.html> to determine eligibility for a scholarship and to apply.
