

AN AGREEMENT TO ESTABLISH A TRANSFER ARTICULATION AGREEMENT BETWEEN GEORGIA HIGHLANDS COLLEGE AND GEORGIA PIEDMONT TECHNICAL COLLEGE

ACADEMIC YEARS 2020 – 2025

This is a Joint Institutional Agreement on the part of Georgia Highlands College (GHC) and Georgia Piedmont Technical College (GPTC) to formally establish an educational partnership between the two institutions. This agreement is made between Georgia Piedmont Technical College and the Associate of Applied Sciences (AAS) in Interdisciplinary Studies (Health Track) and Georgia Highlands College and the Bachelor of Science with a major in Health Sciences (BSHS) degree program. In this agreement, GHC and GPTC are collectively referred to as the Parties.

The objectives of this Agreement are to facilitate access to the BS degree program in health sciences and increase the number of students who are eligible for advanced careers and education in research, management, and public health. The purpose(s) of the Agreement are to:

- Identify, recruit and select students who clearly demonstrate academic and personal competencies required to function as successful students and future health professionals.
- Create a seamless pipeline for AAS degree prepared students to enter a BS degree.
- Facilitate the transfer of all viable college courses as required in the University System of Georgia core curriculum.
- Facilitate the transfer of 61 hours of coursework obtained in the AAS degrees at GPTC into the BS degree in health sciences at GHC.

At least 61 semester hours of general education core curriculum and occupational courses in health track are provided at GPTC, and students receive an Associate of Applied Science in Interdisciplinary Studies (Health Track) degree upon completion. Students complete an additional 63 hours of BSHS curriculum at GHC for a total of 124 hours that is required to receive a Bachelor's of Science with a major in Health Sciences degree.

Acceptance of Transfer Credits at Georgia Highlands College

The following guidelines are used to award transfer credit:

- The transfer of credits is consistent with and subject to the conditions prescribed in each institution's published catalog at the time of the student's transfer request
- Transferred courses must have been taken while GPTC was SACSCOC accredited and be comparable college-level courses to be equivalent in content and rigor to Georgia Highlands College.
- Completion of an associate's degree at Georgia Piedmont Technical College does not guarantee admission to the BSHS degree program at Georgia Highlands College. Candidates must successfully meet all requirements to gain admission to Georgia Highlands College and the BSHS program.
- This agreement will be reviewed annually by both parties to ensure continued transfer compatibility of courses.
- The agreement is in effect for a period of five years, at which time it may be reviewed and renewed. The agreement can be dissolved at any time by the written request of either of the parties listed above.

The following Crosswalk includes the specific courses to be transferred from GPTC to GHC. The agreement provides a total of at least 61 hours to be transferred/awarded general education core curriculum and occupational courses in the Health Track taken at GPTC and transferred to GHC (Table 1). Students complete an additional 61 hours of the BSHS curriculum at GHC for a total of 122 hours that is required to receive a Bachelor's of Science with a major in Health Sciences degree (Table 2).

**AN AGREEMENT TO ESTABLISH A TRANSFER ARTICULATION AGREEMENT BETWEEN GEORGIA
HIGHLANDS COLLEGE AND GEORGIA PIEDMONT TECHNICAL COLLEGE**

ACADEMIC YEARS 2020 – 2025

This is a Joint Institutional Agreement on the part of Georgia Highlands College (GHC) and Georgia Piedmont Technical College (GPTC) to formally establish an educational partnership between the two institutions. This agreement is made between Georgia Piedmont Technical College and the Associate of Applied Sciences (AAS) in Interdisciplinary Studies (Health Track) and Georgia Highlands College and the Bachelor of Science with a major in Health Sciences (BSHS) degree program. In this agreement, GHC and GPTC are collectively referred to as the Parties.

The objectives of this Agreement are to facilitate access to the BS degree program in health sciences and increase the number of students who are eligible for advanced careers and education in research, management, and public health. The purpose(s) of the Agreement are to:

- Identify, recruit and select students who clearly demonstrate academic and personal competencies required to function as successful students and future health professionals.
- Create a seamless pipeline for AAS degree prepared students to enter a BS degree.
- Facilitate the transfer of all viable college courses as required in the University System of Georgia core curriculum.
- Facilitate the transfer of 61 hours of coursework obtained in the AAS degrees at GPTC into the BS degree in health sciences at GHC.

At least 61 semester hours of general education core curriculum and occupational courses in health track are provided at GPTC, and students receive an Associate of Applied Science in Interdisciplinary Studies (Health Track) degree upon completion. Students complete an additional 63 hours of BSHS curriculum at GHC for a total of 124 hours that is required to receive a Bachelor's of Science with a major in Health Sciences degree.

Acceptance of Transfer Credits at Georgia Highlands College

The following guidelines are used to award transfer credit:

- The transfer of credits is consistent with and subject to the conditions prescribed in each institution's published catalog at the time of the student's transfer request
- Transferred courses must have been taken while GPTC was SACSCOC accredited and be comparable college-level courses to be equivalent in content and rigor to Georgia Highlands College.
- Completion of an associate's degree at Georgia Piedmont Technical College does not guarantee admission to the BSHS degree program at Georgia Highlands College. Candidates must successfully meet all requirements to gain admission to Georgia Highlands College and the BSHS program.
- This agreement will be reviewed annually by both parties to ensure continued transfer compatibility of courses.
- The agreement is in effect for a period of five years, at which time it may be reviewed and renewed. The agreement can be dissolved at any time by the written request of either of the parties listed above.

The following Crosswalk includes the specific courses to be transferred from GPTC to GHC. The agreement provides a total of at least 61 hours to be transferred/awarded general education core curriculum and occupational courses in the Health Track taken at GPTC and transferred to GHC (Table 1). Students complete an additional 61 hours of the BSHS curriculum at GHC for a total of 122 hours that is required to receive a Bachelor's of Science with a major in Health Sciences degree (Table 2).
