Spring 2021 Balance – You have options

Thank you for taking steps to satisfy your account balance with Georgia Piedmont Tech. We don't want you to lose your course schedule, so we want to present options for you. The last day to enroll in a payment plan was January 8, 2021, so this option is no longer available.

Option 1: Pay your Balance.

- **Pay your balance in FULL by the payment deadline (February 4 in person, February 7 online in Banner Web).**

Option 2: Authorize CARES Relief Funds to assist with your Balance.

(QUICK & EASY)

- **You can complete the CARES Authorization in Banner to allow the institution to use CARES funding to cover your outstanding institutional charges (i.e. tuition and fees). This is not automatic, and requires you to log into Banner Web to complete the authorization. If you choose to authorize this, then the Office of Financial Aid can connect you with the resources to help you with your balance.**

  Steps:

  a. Log into Banner Web.
  b. Under Student Services and Financial Aid, click CARES Act Authorization.
  c. Complete the authorization.
